MUNICIPAL BY-LAWS

THE CORPORATION OF THE TOWNSHIP OF RICHMOND

BY-LAW NO. 1311

A By-law to Provide for the Reconstruction of the Dykes and Ditches Situate on Mitchell Island, Being District Lot 527 in the Municipality of The Corporation of the Township of Richmond.

WHEREAS a majority in number of the persons shown by the last revised assessment roll of the municipality to be owners of land situate within the boundaries of Mitchell Island within the said municipality hereinafter described, and to be the owners of more than one-half in value of the assessed lands within the said boundaries, have petitioned the Council of The Corporation of the Township of Richmond praying that, pursuant to Subdivision (c) of Division (4), Part II of the "Municipal Act," all the lands situate within the following boundaries on Mitchell Island in the said municipality and described as follows: Commencing at the north-west corner of Lot 2, District Lot 527, Plan No. 2806, and thence following the existing dyke circumscribing the perimeter of the said District Lot 527 to the south-west corner of Lot 37, being the east boundary of No. 5 Road; thence north along the said east boundary of No. 5 Road to the point of commencement, be dyked and drained by deepening and cleaning out each and every existing drain and ditch upon each and every public highway on the said Mitchell Island District Lot 527 lying to the east of No. 5 Road within the said municipality.

And whereas the Council procured an examination be made by Mr. G. W. C. Lake, an engineer and a person competent for such purposes, of the locality proposed to be dyked and drained by the said work, and has also procured plans and estimates of the work to be made by the said engineer, and an assessment to be made by him of the lands and roads to be benefited by such dyking and draining, stating as nearly as he can the proportion of benefit which will be derived in consequence of such dyking and drainage by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said engineer in respect thereof and of the said dyking and drainage of the said works being as follows:—

September 24, 1954.

To the Council of the Corporation of the Township of Richmond.

GENTLEMEN:

Re Petition for draining certain lands on Mitchell Island in the Municipality of Richmond by redesigning and cleaning out of each and every existing drain and ditch upon each and every public highway on Mitchell Island, the improvement of works on flood boxes and certain maintenance of dykes circumscribing the island.

I have examined the area in question and the localities proposed to be drained by the said work and I recommend that the drains and ditches above mentioned be redesigned and cleaned out to an extent sufficient to adequately drain the area hereinafter mentioned.

The total estimated cost of the work is:—

Brushing of ditches, removal of debris, cleaning, culvert construction, repairs and protection of flood boxes, dyke maintenance work	\$4,682.68
Advertising, expenses and contingencies	317.32

Total..... \$5,000.00

The area to be benefited contains 131.249 acres, more or less, and the description of the area is: All of District Lot 527, New Westminster District, less that portion lying to the westward of the centre line of No. 5 Road.

I find that all the lands included within the said area will be equally benefited.

Locations of Various Works Described Above

1. The location of the ditches to be improved is:—

(a) That ditch running parallel to the north boundary of Mitchell Road more particularly described as from the south-west corner of Lot 2 of District Lot 527, Plan 2806, to the south-west corner or thereabouts of Lot 19 of District Lot 527, Plan 2806.

(b) That ditch running parallel to the south boundary of Mitchell Road more particularly described as from the north-west corner of Lot A of Lot 37 of District Lot 527, Plan 8831, to the north-west corner or thereabouts of Lot 20 of District Lot 527, Plans 8425 and 2806.

(c) That ditch running parallel to the east boundary of Tipping Road, more particularly described as from the north-west corner of Lot 11 of District Lot 527, Plan 2806, to the south-west corner of Lot 28 of District Lot 527, Plan 2806.

2. The location of the flood boxes in question is at the extreme northerly and southerly points of Tipping Road respectively.

3. The location of the dyke in question is the dyke circumscribing the perimeter of District Lot 527, New Westminster District, less that portion of dyke in District Lot 527 located west of the centre line of No. 5 Road.

I recommend that the cost be collected in five equal annual instalments and that in each of the five years a special rate of \$8.80 per acre be levied to meet the cost, making a total levy of \$44 per acre. The owners of the land to be benefited will share the entire cost of the work in accordance with the assessment roll prepared for this work, which assessment roll is attached herewith.

Respectfully submitted.

G. W. C. LAKE, P.Eng.,
Municipal Engineer.

And whereas it is expedient to carry out the proposed work.

Now, therefore, the Council of The Corporation of the Township of Richmond, in open meeting assembled, enacts, pursuant to the provisions of the "Municipal Act," as follows:—

1. That the said report, plans, and estimates be adopted, and the said dyking and draining the lands within the said boundaries and the works connected therewith be made and constructed in accordance therewith.

the office of The Corporation of the Township of Richmond, Town Hall, Brighthouse, in the Province of British Columbia.

3. That for the purpose of paying the sum of \$5,000, being the amount charged against the said lands so benefited as aforesaid, and to cover the said interest thereon, the following special rates over and above all other rates shall be assessed and levied upon the undermentioned lots and parts of lots and parcels of land, and the amount of the

said special rates and interest rates as aforesaid against each lot or part of lot or parcel of land respectively shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid in each of the years 1955, 1956, 1957, 1958, and 1959 after the final passing of this by-law.

4. This by-law may be cited for all purposes as "Mitchell Island Dyking and Drainage By-law, 1954, No. 1311."
